GOLDEN WINGS

Editor: Margaret Anderson

Advisors - Mrs. Clair Maddox
Mrs. Edith Anderson

We are one. Together we share many things. Our moments of happiness are frequent, coupled with occasional bursts of unexplainable emotion.

We come here seeking a better education.

We learn scholastically, but, even more,

we learn from one another.

We share ideas, we talk, we listen.

Winning and losing is a part of the game of life.

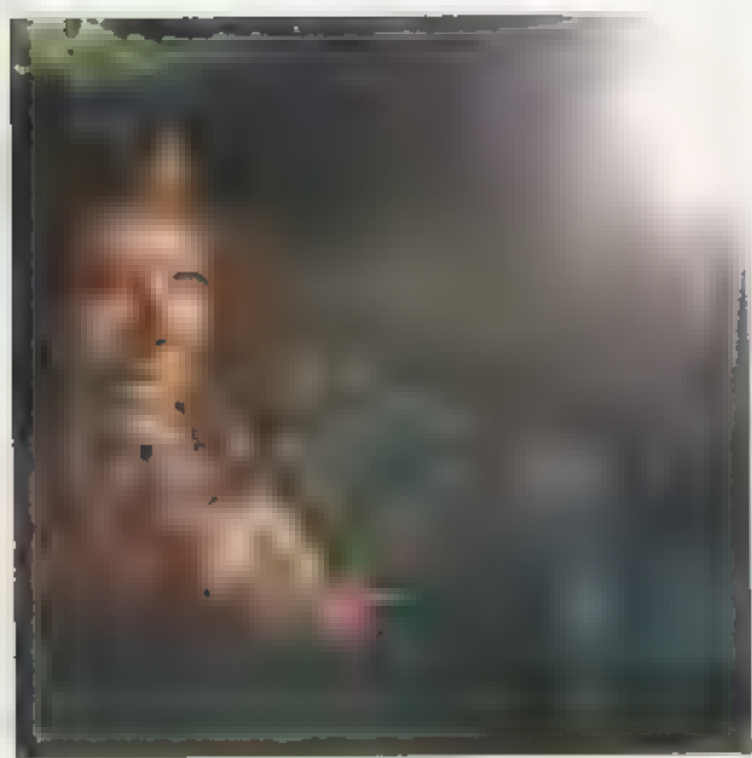

We strive to change what we can
and learn to accept what we cannot.

Our belief and trust in each other comes from our faith in God. These beliefs surround us in every aspect of our daily living.

Each time we reflect on these moments we are once again, in spirit, united.

In Memory of

Robert Michael Martin

August 7, 1953-January 2, 1972

Class of 1972

Robert was very quiet, often shy. Yet his
quietness and shyness won him friends. When
he spoke, his words seemed touched with a
spark of wisdom. One of Robert's greatest am-
bitions was to finish high school. He died be-
fore he could fulfill this desire. Many of us lost
a dear friend and so many more of us lost
what could have been a dear friend. But
"Death is swallowed up in victory, and the
Lord God will wipe away tears from all
faces." I Corinthians 15:54 and Revelation

Although our team did not meet its expectations, there were still examples of outstanding athletic prowess. Our total yardage gained, 1439 yards, was split about 50-50 showing the versatility of our offensive team. Andy Pickens caught 9 passes for 155 yards, while Johnny Sweat gained 114 yards with 5 receptions. Our two outstanding running backs, Kenny Brewer and Bill Sanders, totaled 430 yards in 104 carries. Brewer's and Sweat's combined efforts tallied 543 return yards with our opponents coming up with 259 yards in return.

The following people were recognized at the annual football awards banquet

Greenville Christian—With two second half touchdowns, the War Eagles successfully opened their season by defeating the Greenville Christian Saints. The two touchdowns were scored on runs by Kennv Brewer and Bill Sanders. Sanders also led the team in rushing with 65 net yards

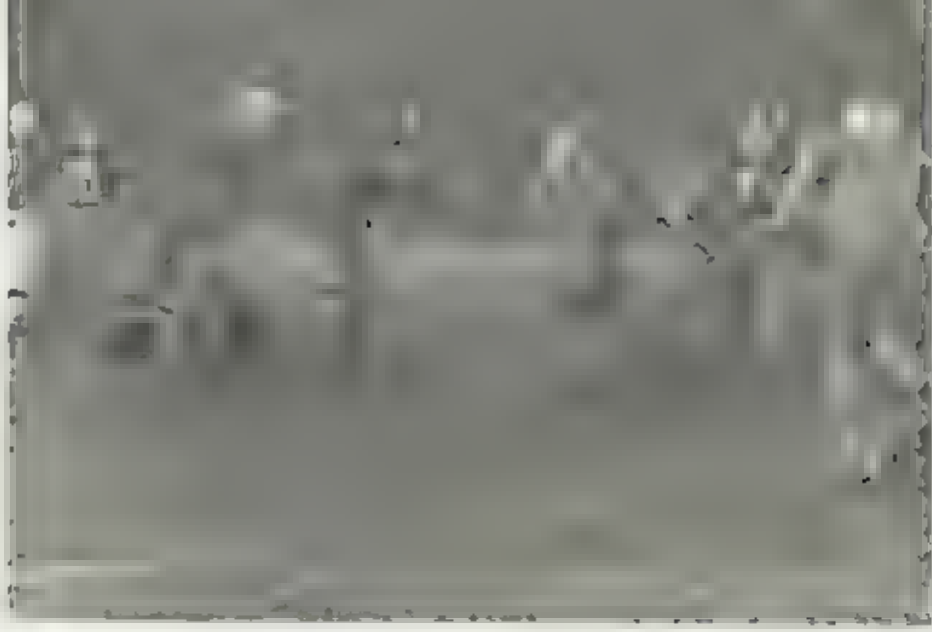

Bayou—In our second game of the season, also at home, the War Eagles used its strong defense to shut out the opposing team for the second win in a row. With an improvement on offense, the Eagles scored 29 points. The Eagles completely dominated the ball game by leading in rushing yardage, passing yardage, and first downs.

Clarksdale—From our first away game the Eagles suffered a 38-7 defeat at the hands of the Clarksdale Lee Colts. The Colts used a strong balanced attack, to erase all visions of a McCluer upset. The only McCluer score came on a pass from Flowers to Johnny Sweat.

Indianola—In a comedy of errors in which Indianola forgot their uniforms, the War Eagles took a 7-0 win over the Colonels. Defense was the rule rather than the exception. The Eagles used the pass-catching talents of split-end Johnny Sweat who scored on a 75-yard pass from Bubba Hubbard. On this play, Sweat used his sprinter's speed to outrun the entire Indianola defensive secondary

Copiah—Playing without the services of several of the first team members, the Eagles played to a 0-0 standoff with Copiah. In this game, the defenses of both teams were outstanding, thus the lack of the offensive punch

Greenwood Pillow—In a game where breaks made the difference, the War Eagles came out on the shorter end of the score 27-14. Although we lost, we had excellent efforts from Bill Sanders who scored our first touchdown on a 9-yard pass and Kenny Berryhill who intercepted a pass and raced 45 yards for McCluer's second score

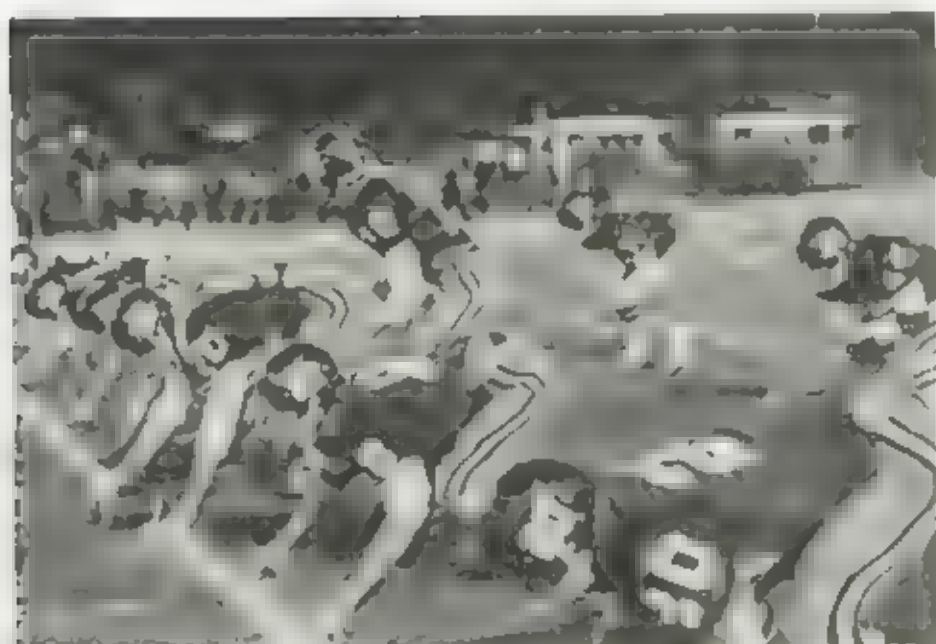

Canton—In probably our finest effort of the year, the Eagles defeated Canton Academy 27-6. With this being Homecoming, the War Eagles rose to the occasion and ground out a total of 204 yards on a muddy field. McCluer scores came on a 4-yard run by Bill Sanders, a block punt returned by Ronnie Saul, a return fumble by Billy Conerly, and a 65-yard pass from Don Flowers to Art Leggett

Tri-County—In a lackluster effort, the War Eagles took a 14-7 defeat at the hand of Tri-County. McCluer led throughout most of the game, but Tri-County took the lead on a short run late in the game.

Jackson Prep—With hopes of defeating Jackson Prep, the War Eagles were beaten badly by a highly superior team. Although the War Eagles took a 63-0 loss, we were not the first team this year to be completely outclassed by the Patriots.

Beeson—Coming off the heels of the Prep defeat, the War Eagles rolled to a 56-0 win over Beeson Academy. The Eagles racked up 360 yards total offense and scored more points in a single game than any other team in McCluer history. Kenny Brewer led scoring efforts with 5 touchdowns, Leonard Knowles scored 2, and Don Flowers tallied once.

Manhattan—In the battle for the Council School football championship, the Eagles took a 21-7 defeat at the hands of the Manhattan Lancers. The Eagles spotted the Lancers 21-0 at halftime, but, behind the efforts of quarterback Bubba Hubbard and tight end Bill Sanders, they came back in the second half completely shutting off the Lancers' offense. This pair led the Eagles to their only touchdown with Sanders scoring on a pass from Hubbard.

Macon Central In the first annual Golden Triangle Bowl Game, Macon Central defeated the Eagles by the score of 24-13. Trailing 10-0, the Eagles' Don Flowers took a pass from Bubba Hubbard and raced 60 yards for a touchdown. In the second half, Macon scored twice more, while the Eagles could only manage a three-yard touchdown run by Hubbard.

My what I g ears I have

Have you ever noticed how people always want to look at an annual if someone has one? Even if it's one in which they most likely wouldn't know a soul? There's just something about an annual that makes people want to look at it

When people look at this yearbook I hope they can see at least a part of the unity we have felt and experienced this year. Of my five years here at McCluer, I believe this year has been the best. The reason is the spirit of oneness we shared. We liked people for who they were; not for what grade they were in or their age. We got involved in activities and supported our friends. We worked together and helped one another.

In essence, this annual is a memory book, especially for the seniors, of the school year of 1971-72. We can show it to our kids and hear them say, "Gee, Mom, you sure were nice and skinny then. What happened?"

It takes more than most people realize to put a yearbook together. It requires hard work, determination, responsibility, a sense of humor, and people who are willing to help. I would like to express my gratitude to those who contributed to this yearbook.

God, who gave us strength, courage, and guidance.

The annual staff for their diligence, labor, and helpful attitude

The sponsors who were always ready to lend a helping hand.

The ones who gave of their time and talents to supply us with artwork and pictures.

Everyone who had a part in making this book what it is.

Though we may be scattered to the ends of the earth, we can be together, for each time we reflect on these moments we are once again, in spirit, united.
